**Re:** Hillsboro Boys Baseball Association's Fundraising Campaign

### **Greetings!!**

Hillsboro Boys Baseball Association (HBBA) would like to extend an invitation to become a sponsor through your financial or in-kind donation to our organization. The funds you give and the money raised through our silent auction and/or raffle of products and services donated all go toward improving the Hillsboro boys baseball program. Ie: field enhancement/maintenance, equipment upgrades, etc. In addition, this helps in keeping the cost of participation very affordable for all kids.

HBBA is an all volunteer, non-profit organization. We accommodate over 600 children ages 5-16 years of age. Our goal is to give everyone the opportunity to play baseball no matter their economic status or skill level. Most of us can attest to the many benefits of participating in sports... not only does it provide great exercise, improve coordination and self-esteem, but it also is an excellent medium for learning about teamwork, taking direction and the nuances of how to be both a gracious loser *and* winner.

Our primary source of funding is from sponsors, such as yourself or various organizations. As an added benefit, by choosing one of the sponsorship levels you have the opportunity to have a flyer or coupon placed in the each of the player's packet that will go home with them on the first day of practice. We will also hold an exciting event in early May encompassing our silent auction! Stay tuned for more details!!!

We understand there are several sports teams and non-profit organizations all requesting donations and it can become overwhelming, but if you believe in the value of providing a strong, well-run, affordable sports program to our youth, we hope you choose to support the **Hillsboro Boys Baseball Association**. Please see the attached donation sheet for more information and be sure to visit our website at [www.hillsborobaseball.com](http://www.hillsborobaseball.com).

For additional information, you may also contact one of our sponsorship/fundraising coordinators:
